Tippy: Gets a taste for Judaism  
**MALTESE puppy Tippy gets her first taste of Judaism on a soon-to-be-released DVD.**

Tippy's First Passover can currently be viewed at [www.thetippystory.com/passover.html](http://www.thetippystory.com/passover.html)

Viewers can see and hear the canine's adventures.

Tippy hears the reading of the four questions by the youngest children at the seder. She smells the delicious scents of food coming from the kitchen as she lies underneath the Passover table.

When the seder breaks for dinner Tippy gets to go down to the cellar to play with the children.

The Tippy Story is written and directed by Evie Litwok of Florida.
