## TWO PAWS UP!

BEHIND EVERY GREAT LOVE AFFAIR IS A GREAT STORY.

A two month old Maltese pup sits quietly in a Boca Raton Pet Store having no knowledge of what life could be like beyond the walls of her little cage.

A stranger walks in, picks up the pup, and they capture each others hearts. Their life together is seen through "Tippy", the Maltese pup.

Their adventure's take them from Boca Raton to Greenwich Villlage, N.Y., to Hollywood, to East Hampton, N.Y. and back to Greenwich Village.

Tippy gets to know more and more about the woman who purchased her, "Evie", through their travels. Tippy and Evie have a profound love for each other. Throughout the story it is "Tippy" who understands.
